# About Consultadd

ConsultAdd Inc. is a fast-growing IT consulting and staffing firm founded in 2011, with offices in the U.S. and India. It delivers technology solutions across industries like finance, healthcare, retail, and government. ConsultAdd operates through brands such as Cloudtech (cloud services), Hyperflex (ELK consulting), KnowCloudAI (Salesforce solutions), Public Services (government tech), and Techtrust (IT staffing). The company has served top clients including Amazon, Meta, and U.S. government agencies. With over 500 global employees, ConsultAdd emphasizes trust, innovation, and client satisfaction. Learn more at [www.consultadd.com](http://www.consultadd.com).

## **VISION**

- To be a global leader in technology consulting and staffing by empowering businesses with innovative, reliable, and people-centric solutions that drive growth and digital transformation.

## **MISSION**

- At ConsultAdd, our mission is to deliver exceptional IT consulting and staffing services by fostering a culture of trust, transparency, and continuous innovation. We strive to connect talented professionals with forward-thinking organizations, while helping clients achieve sustainable success through cutting-edge technology and strategic partnerships.
